2 Course Regular Meal Deal

£9.75 *including refills*

We use only the finest quality potatoes and our fish is sourced only from sustainable resources, wherever possible we try to source our other produce from local suppliers.

Here at Drakes we pride ourselves in our freshly cooked food, so please bear with us during busy times as there may be a slight delay.

Please try our other restaurants in North Yorkshire at

97 Low Petergate, York - 01904 624788

11 Finkle Street, Ripon - 01765 602406

3 - 5 Silver Street, Knaresborough - 01423 864864

Although Drakes fisheries take great pride in producing only the best quality experience for our customers, there is a small risk that the odd very small stone can be found in our mushy peas as they are harvested.

Booking and reservations welcome
